

Independent Activity Alliance Board Evaluation

Independent Activity Alliance Board evaluation was carried out in March 2019.

The following key governance areas were considered during the review:

- Mission and strategic planning
- Board behaviour
- Board's relationship with the executive team
- Feedback to the current Chair of the Board
- Performance of individual board members

Summary of review conclusions:

- The Board functions effectively and openly. Directors are knowledgeable about their role and direction of the Activity Alliance.
- Board has been impressed with the performance of the Chair since her appointment in September 2018.
- Directors are satisfied with the Board's work and strategy.
- Current communication process to staff, stakeholders and members need to be strengthened.
- Suggestions to improve board knowledge/skills include governance, finance and change management training.
- Board thinks there could be more professional development opportunities for the CEO and DCEO.
- Overall, the Board operates as one.
