Easy Read

This is an Easy Read version of some information. It may not include all of the information but it will tell you about the important parts.

This Easy Read booklet uses easier words and pictures. Some people may still want help to read it.

Some words are in **bold** - this means the writing is thicker and darker. These are important words in the booklet.

Sometimes if a bold word is hard to understand, we will explain what it means.

[Blue and underlined](#) words show links to websites and email addresses. You can click on these links on a computer.

About this booklet

This booklet is from Activity Alliance.

We speak up for disabled people to help them feel included in sports and activities.

We have a plan to include more disabled people, called **We All Belong**.

We would like people to support us with this plan by joining our **supporter scheme**.

We will tell you more about the supporter scheme and how you can join it.

About the supporter scheme

The supporter scheme is a group of people and organisations who want to include more disabled people in sport.

It is free to become a supporter.

If you become a supporter, we will:

- Share the good work you do with others.

- Link you up with other organisations that are like yours.

- Give you ideas for how to help disabled people take part in sport and activities.

Supporters will get:

- Money off the cost of training on our **Learning Hub**.

The **Learning Hub** is a website where people can see and use all of our training courses and workshops.

- Email newsletters with good news stories from other supporters.

- Chances to work on making a change to laws and what the government does.

Any person, organisation, group or sports club can join the supporter scheme.

By becoming a supporter, you can play your part in helping disabled people feel they are more included in sports and activities.
